EXPERIENCE

GRAPHIC & WEB DESIGNER

Freelance

2020 - Present

As a freelance Graphic & Web Designer, I have been working independently to create visually appealing designs for both print and digital media. Utilizing my skills in problem solving, active listening, and critical thinking, I have developed creative solutions that meet the needs of my clients.

- Designed and developed websites with a focus on user experience and functionality.
- Created visually appealing graphics for marketing materials, including brochures, flyers, and social media posts.
- Utilized my knowledge of digital design principles and techniques to create engaging and impactful designs.
